Dear Parents and Carers,

I’m excited to announce that the new principal for Eungai Public School will be Mrs Julie Carr. Julie is currently the principal of a small school near Orange, NSW, and has also been assistant principal of Orange Public School, which has more than six hundred students. She is a very experienced and committed teacher, just right for our school. Julie will start in her new position on November 23. I’ll be keeping her seat warm (not that I have time to sit down) until then.

Staff are currently planning a K-3 excursion to Scotts Head for Week 5, incorporating the Gurruuja Cultural Tour, and a visit to Scotts Head school. Mr Pacey is also busy making sure all the arrangements are in place for our swimming program in Weeks 9 and 10.

Also, just a quick note of thanks to the volunteers who give so much time to the school, including parents who attend P and C meetings, Karen who helps voluntarily in the junior classes, and most particularly Mary Cooper who is doing such an outstanding job in the canteen.

Welcome back everyone. It’s great to see staff and students so energised and excited. Stand by for a great term.

Greg Barron
Thank you everyone who helped with collecting the stickers and putting them in the booklets. We collected 9240 stickers, which goes towards resource purchases for our school through Modern Teaching Aids, so the staff can choose items such as books, sporting equipment, stationary and much more.

**SWIMMING PROGRAM**

The annual school swimming program will commence in Weeks 9 and 10. A note is attached, so parents will have plenty of time to pay. Once again the P & C has chipped in a substantial portion of the bus costs to reduce parent contributions to just $45 which is a great price considering the two weeks of buses required.

More parent help would be greatly appreciated. Please see Mr Pacey if you can give us even one or two days.

**FOUND**

Tracy Davis found a Grey male de-sexed cat that is very friendly if you know who owns it please call Tracy on 0439699012.

**P&C**

There will be a P & C meeting tomorrow Tuesday 13\(^{th}\) October at 3.15pm. Please come along, it is a great way of seeing and hearing what is happening in your student’s school.

**CANTEEN**

Please find attached the menu for Term 4.

Thank you

Mary Cooper.
Welcome to the club

Clubs have kicked off for another term. Our students will be cooking, gardening, beading, dancing, performing and creating. A special thanks to Mary Cooper for volunteering to teach the Cooking Club. We look forward to tasting your delicious creations in the canteen.

In the picture below the boys are explaining to Manasa-Ali that they are simply sitting on an invisible bench in Drama Club.
