Dear Parents and Carers

I trust that everyone had a nice long weekend with their families. Our school will be involved in a number of events over the next few weeks. The canteen will not be open this Friday due to the Athletics Carnival in Scotts Head.

Students from the 4,5,6 class will travel by bus to Stuarts Point Memorial Hall tomorrow to perform for the Stuarts Point/Eungai CWA. Parents are welcome to attend. All school performances will start at 1.00pm and conclude by 2.30pm.

On Friday the 12th June, all students from K-6 will travel by bus to Scotts Head for our School Athletics Carnival. We have decided to hold the carnival in Scotts Head due to our school fields being very wet. Ritchie Donovan has kindly donated the cost of the bus. All students will leave school together at 9.00am and return by 3.00pm. Parents are invited to attend the carnival. Scotts Head Little Athletics club will run a canteen, however, we are encouraging students to bring their own morning tea and lunch on the day. (Canteen Menu attached)

P.S.S.A Soccer. Last week our school soccer team had a win against Stuarts Point Public School. The win entitles us to move on to the next round, which is against Wooli Public School. The game will be held at Macksville Soccer Fields on Tuesday the 16th June at 12.00pm. Congratulations to all the members of our school team and all the very best in your next game.

Reports; We will be holding parent/teacher interviews in the last week of school. Over the next few days your classroom teacher will send an interview time home. If the time you are given doesn’t suit, we will be able to negotiate a time more appropriate. Hopefully we will be able to catch up with all our families to celebrate the learning success of your child/ren

Kind Regards

Mr Anthony Buckley

zoomobile
On Wednesday the 27th, we had a lovely visit for the Taronga Zoo Mobile. The students from K-3 had a great time meeting a number of animals including an echidna, a possum, a snake, a lizard and a very impressive stick insect. It was an extremely informative session where we all learned about the habits, diet and threats to many of our native fauna.
