Dear Parents and Carers

Welcome to Week Four. The school year is in full swing. I know all the teachers and the students have been very busy with new teaching and learning programs. We are trialling a few new things this year. One of these is a change in the assembly structure. As I mentioned in the last newsletter, weekly assemblies will now be on Wednesday afternoons. Twice a term we will be having a bigger assembly on a Friday 9.00am. This assembly will feature a class item and some musical performances. The first one of these assemblies will be on Friday 26th February. There will be no Wednesday assembly on the week that we are having our big Friday assembly.

Well done to all the students who attended the swimming carnival last Friday. We will be looking at the structure of the swimming carnival to see if perhaps next year all our students can be involved. Good luck to those students who will be representing our school at the District Swimming carnival this Friday. Notes will be going home today for those students.

Don’t forget the Meet the Teacher afternoon is this Wednesday 17th February. Although we have met most of you, we are looking forward to catching up with you and having a quick chat about our classroom organisation for the year.

See you on Wednesday.

Julie Carr
The P&C will be having a meet and greet Welcome Breakfast at school on Wednesday 17th February 8.30am. All family members and students are invited.

Office
Please inform the office of any change of address or telephone numbers please. If you child is absent please send a note explaining the reason.

Head Lice
There have been a few out brakes of Head Lice at Eungai Public School. Please check your child and treat with appropriate Head Lice treatment.

Swimming Carnival
On the 11th of February 2016, Eungai School went to a swimming carnival. The first event was the boy’s 100 metres freestyle. Then it was the girl’s 100 metres freestyle.

I went in the 100 metres freestyle and came last, but I came second in the backstroke. That is my strongest stroke.

I went in all of the races that I could go in and even went in the 400 metres medley. This included butterfly, breaststroke, backstroke and freestyle. I tried my best.

Remember try no matter what!

By Aila Howard, Year 5

Yesterday was the swimming carnival and most of Eungai Public School was there. Medlow also joined us.

Firstly, we went on the bus at got to the pool around 9.30am. The first event was the 100metres freestyle. The girl’s race went a lot faster. Next the 50 metres races started. The adults and house captains got programs so they knew what events were on.

When the medleys started it seemed to go on forever. When the medleys finished the relays started and they were so much fun.

When we returned back to school we had ice blocks.

Yesterday was one of the most fun, wettest and most amazing school days EVER!

By Harry Smart, Year 5
Yesterday Eungai went to the swimming carnival. Firstly, we arrived at school hopped on the bus and we went to Macksville pool.

When we arrived at the pool we got ready and we completed warm up laps. After warm up laps we started and I was in the first race that was the 100 metres freestyle. I stopped at 50 metres because my toe was hurting and got out.

I put on new band aids and then had another go. I swam in the 50 metres freestyle. My favourite event was the relays and I also liked the medleys.

It was the most fun I have ever had at school before.
